Honorable: William Skrenty

Hello Sir, my name is Tanita Scott, the mother of JaVaughan Parker's youngest child Moet Scott (11 yrs. old). I am writing to you today asking for a plea of mercy on our family! Please consider the fact that JaVaughan is an excellent father to five children, that are all in a state of disarray! He is the head of our family, without him life is not going to be the same. One thing in life that I have never imagined is being a single-parent. The thought of this horrifies me beyond recognition, and it hurts more than words can express. I met this man when I was 17 yrs. old, he was 19. He became my first, last, and only love. In these past sixteen years we have grown, learned, experienced love, and

become parents together. How do I continue on without him? While I do understand the seriousness of this case, some of the charges I do not! The law is suppose to protect us from things such as here say, without proof beyond a shadow of a doubt. This case has shattered those beliefs in me. How do we trust in our justice system if someone can come forward, and make a statement without proving it? I pray and beg God everyday for a blessing, and a miracle. Once again Judge Skrenty, I humbly beg for your mercy on JaVaughn, his children, and the rest of his family. Our Lives are now in your hands sir!

Respectfully,  
Janita Scott

Honorable William Skrenty  
Dear Judge Skrenty, I am  
Ja'Vaughan Parker's daughter. Please  
don't give my dad a long time in  
jail. I understand the situation that  
is going on, but I really need my  
dad home as soon as he can be.  
Since he has been gone I've cried  
myself to sleep for many ~~at~~ nights.  
I still can't get over the fact that  
my dad is gonna be gone for a long  
time. I really miss spending time  
with my dad. I would do and trade  
anything for my dad to be home  
with me.

Sincerely,  
Moet Scott
